April 27 was a great day for me! I received news from the Indiana State Library that the Strategic Plan meets all the requirements outlined in the Administrative Code. We had the Audit Exit Conference, and I submitted the Indiana Public Library Annual Report. I have started working on our 1st year plan (goals for this year) from the Strategic Plan and plan to meet with the Managers to discuss our goals for this year. I have also started rewriting job descriptions. New patrons can now get a card in the Youth Services Department or the Adult Services Department.
