

WABASH CARNEGIE PUBLIC LIBRARY BORROWER'S POLICY

The Wabash Carnegie Public Library is a municipal corporation and constitutes an independent taxing unit. The corporate boundaries of the library taxing district are entirely located within the boundaries of the City of Wabash.

Anyone who wishes to borrow materials from the Wabash Carnegie Public Library shall be a registered borrower. All borrower applications shall be completed in person and signed by the applicant in the presence of library personnel. Special arrangements may be made for homebound persons. Addresses of resident and non-resident real property owners will be verified by the library.

Library cards are issued by the library to registered borrowers in the following categories:

A. Resident Borrowers

Any person who is a resident of the library taxing district is considered eligible to apply for a resident borrower's card by completing an application.

The library issues adult resident and minor resident cards. Adult resident cards are issued to residents 18 years of age, or older. Minor resident cards are issued to resident minors under 18 years of age. All borrower's applications by resident minors shall be signed by a custodial parent or legal guardian assuming all responsibilities for all materials, but permitting the child as an authorized user. These resident borrower's cards will be renewed every two years with ID verifying current residency.

B. Non-resident Real Property Owners

Non-resident real property owners are persons who live outside the library taxing district, who own real property within the library district, and who pay taxes on that property to support the library. Additional cards for immediate family members may be issued by the library at the applicant's request. Non-resident real property owners are eligible for a library card by completing a borrower's application. A property owner's card is issued for one year and renewable annually.

Non-resident Fees

The card will be issued jointly in the name of the institution and the official who makes the application. Institutional cards are issued for institutional use only and not for personal use by employee.

Photo ID may be required at the time of check-out. Each teacher shall assume responsibility for fines accrued on their classroom card and any loss or damage to library materials. Classroom cards are issued for one year. Teacher's Classroom cards are intended for classroom use only and not for personal home or family use by the teacher.

An individual who is in "good standing" and eligible to obtain a valid resident or non-resident library card from one of the 238 public libraries in Indiana, qualifies to obtain a PLAC. A PLAC may be obtained from any public library in Indiana. **The PLAC fee is set annually by the Indiana State Library.**
